

Sample Syllabus Statement on Student Experience Surveys

The midterm and end of term Student Experience Surveys will be conducted on {insert dates}. These are your opportunities to provide feedback about your learning experience in this class. It's important to remember that the learning process is collaborative and requires significant effort from me, you, and the class as a whole. Students should provide thoughtful assessments of their experience, as well as of their own effort, with comments focused on the specific teaching and learning elements included. Comments regarding personal characteristics of the instructor are not appropriate and will not be considered. For this feedback to be as comprehensive as possible, all students should complete the survey.
